

# CHATEAU LAGRANGE

GRAND CRU CLASSÉ EN 1855

SAINT-JULIEN

## 2012

### TERROIR

Completely situated in the village of Saint-Julien, the vineyard of Chateau Lagrange represents 118 hectares in red vines, spread over two hills with the slopes directed towards the North and the South, in one block. The subsoil is of clay and limestone and the topsoil is of pebbles and gravel. The climate is temperate and oceanic.

### THE VINTAGE

A complex climate characterized by cold in February, dryness in February, March, August, September, and by heavy rains in April, June and October.

Blend	67% Cabernet Sauvignon 30% Merlot 3% Petit Verdot
Planting Density	8 700 to 10 000 vines / hectare
Harvest	From the 8th of October to the 21st of October 2012. Grapes are hand-picked into individual crates. A first selection is done by hand on whole bunches, and a second one grape by grape with an optical camera.
Vinification	Plot by plot and intra plot vinification in 102 thermo-regulated stainless-steel vats of variable capacity (36 to 220 hl) for 103 plots The selection of batch is conducted according to the varietal, age of vines, terroirs and grapes maturity. Vinification at 26-28 °C during 15 to 22 days Moderate pumping-over every day, or delestage or pigeage Malo lactic fermentation through co inoculation
Average age of the vine	40 years
% of first Label	35%
Barrel Ageing	Blending in January Maturation for 21 months. 60 % of new oak barrels Finishing in barrel with fresh egg-whites Final blending before bottling
Tasting Window	2017 - 2030

### TASTING NOTE

Dark red with tangy notes of cassis and black cherry, the nose is very expressive. The palate is silky, smooth, almost creamy. A very harmonious and balanced wine that impresses with the characteristic elegance of the vintage.
