

Côte Chalonnaise

Pinot Noir

2018

**MERCUREY**  
Premier Cru  
Clos du Paradis

**DOMAINE VOARICK**

### About the vintage:

The 2018 vintage was full of richness, marked by the great maturity of the grapes with great ageing potential. Thanks to the rain at the end of August, the vines gave both abundant and very good quality yield. The white grapes were ripe, rich and powerful. Tasted a few months after the bottling, the wines tend to settle down, keeping the richness of the fruit, and developing a slight toasted and mineral reduction notes, typical of great Chardonnay. The Pinot Noir were very ripe, with a dark ruby color and a strong tannic structure: on some vintages they sometimes take on southern accents!

### TERROIR

Beautiful clay-limestone terroir facing south-east, on the first slope overlooking the village of Saint-Martin-sous-Montaigu. This sector gives early maturity to the grapes. Vines planted in the 1960s to 1990s.

### VITICULTURAL PRACTICES

The vines are grown organically. Mechanical labour of the soil. They are pruned in simple guyot with long sticks and disbudded every other eye, so the bunches end up beautiful and airy.

### VINIFICATION

Traditional Burgundy vinification in open wooden vats.

### AGEING

12 month ageing in oak vats.
