VINEYARD

- **Soil type** : a great complexity of soil, from the outcropping rock to the screes coming from the top of the hillside
- **Area** : 1.33 ha
- **Density** : 10 000 vies / ha
- **Average age of the vines** : 50 years old
- **Harvest** : 100 % handpicked
- **Harvest date** : 29/08/2020
- **Yield** : 20 hL / ha

CHARACTERISTICS

- **Aged in barrels** : 25 % fûts neuf
- **Wine aging** : 1 year
- **Alcohol content** : 14,5 %
- **Type of winemaking** : Vinification in concrete vats for two weeks
- **Descriptif** : Located on the South hillside of Nuits Saint Georges, our two parcels are assembled during vinification for a total surface of 1,8 hectare. This Premier Cru extends in the middle of hillside between 240 and 260 meters of altitude, where we can find a large complexity of rocks, from the flush rock to the screes coming from the top of the hillside. With vines of an average age of 50 years, the Premier Cru Les Pruliers is an intense and robust wine which has a beautiful capacity to ageing.

A few words about the vintage:

Atypical vintage marked by a historical precocity and a very good health of the harvest. Despite the hail of August 1st which caused more than 30% loss on the south of the appellation.
